JUNE ISSUE 2018

Our Residents are the very heart of our communities!

FATHER'S DAY IS SUNDAY JUNE 17, 2018

In 1972 President Nixon declared the third Sunday in June as Father's Day. Prior to his declaration there had been much discussion regarding the fact that there was a Mother's Day but there was not a day to recognize fathers. Here's to all you hard working, awesome fathers ... Happy Father's Day!

FLAG DAY IS JUNE 14, 2017

On this day in 1777, the Congress of the United States of America adopted our country's flag. In 1916, President Woodrow Wilson issued a proclamation officially establishing June 14th as Flag Day. Give a cheer for the RED, WHITE and BLUE!

CHARCOAL BBQ GRILLS ARE PROHIBITED

UNITED STATES FLAG CODE

Did you know Congress passed a Flag Code in 1942? This Code is now enforced as custom or courtesy, rather than by force of law. Here are a few tips you will find helpful on how to treat the American flag:

The flag should never touch the floor or ground beneath it.

The flag should never be used as clothing, window covering, etc.

The flag should be flown from sunrise to sunset, unless it is properly illuminated after dark.

Respect for the American flag is shown by individuals placing their right hand over their hearts, when the flag is being raised, lowered or passing by.

Also, hats and headwear should be removed and the individual's right hand and held to the left shoulder.

Soiled flags may be washed by hand or dry cleaned, depending on the material used.

According to the Flag Code, if a flag is damaged to the point it can no longer be flown or it is soiled, it should be burned in a private and respectful manner. If you need this done, the Boy Scouts and Girl Scouts of America offer this service.

VEHICLE BREAK-INS: HOW TO PROTECT YOURSELF AND OTHERS

Limit the amount of personal information you keep in your vehicle, to protect yourself from other related crimes such as identity theft or fraud.

Items Most Commonly Stolen from a Vehicle:

Clothing	DVDs	Electronics
Garage door openers	Gym bags	Headphones
Liquor	Money	Packages
Purses / Wallets	Shoes	Shopping bags
Sporting equipment	Sunglasses	Toys

Theft from a vehicle, or vehicle prowling, is a crime of opportunity. Don't give anyone the opportunity to make you a victim. Here are three easy, common sense ways to protect yourself:

Always try to park in safe, well-lit, fully visible areas. Remove, or hide from view, anything a thief may find attractive in your vehicle. Do this before you arrive at your parking spot, if possible. Shut all car windows and doors (including your sunroof if you have one), lock your car, and take your keys.

CHILDREN'S PLAY AREA

The use of the Children's Play Area, when provided, is for the sole use of our younger residents and is used at their own risk. Children must have an adult resident present or appropriate supervision at all times, especially when using the play area. Equipment must be used as designed. Please notify the Apartment Community Manager of any problems with the equipment. Children should not be allowed to play on broken equipment, until it is repaired or replaced. No food or beverages, except bottled water is allowed in the children's play area. Please pick up any trash.

Children should play responsibly. For example, children should sit down while swinging, slow down before getting of a swing, do not walk near someone who is swinging, use both hands when climbing, only climb on equipment when it is dry and never when it is wet. When using a slide, children should never climb up the front of the slide, sit down on the slide feet first and only one child on the slide at a time.

Children's outdoor play area hours are from dawn to dusk. Please respect others' rights to privacy by respecting these hours.

IF YOU MUST MOVE

We certainly do not want to see any of our valuable residents move. If you have a concern or unresolved issue, please either call or email your Apartment Community Manager or email info@dmcimail.com. We encourage you to make your voice heard. You are a valued resident, and we appreciate the opportunity to hear your concern and correct the situation. Your satisfaction is important to us. If you must move, do notify the Apartment Community Manager as soon as possible. The last day to give the required written Twenty Day Notice of Intent to Vacate required by Washington Residential Landlord/Tenant Act to move the end of June will be June 10, 2017. However, if you paid a Last Month's Rent, in order to avoid a Late Fee and a Three Day Notice your Notice of Intent to Vacate must be completed and submitted to the rental office by the third of the month. For your convenience, there is a Cleaning List at the bottom of the Twenty Day Notice of Intent to Vacate form. When disposing of trash or unwanted items, do not put them outside the trash container. In addition, do not put large objects, such as furniture, in the dumpster or trash compactor. Instead, please notify the rental office and a team member will assist you with an alternative solution. To ensure your Security Deposit Refund Accounting arrives in a timely manner, include your forwarding address on your Notice of Intent to Vacate form, as well as confirming and assuring this information is written correctly when you turn in your keys. As a former resident, you will qualify for a \$250.00 Former Resident Referral for any friend, co-worker or relative you refer who chooses to rent from any Dobler Management Company Inc, managed apartment community. Also, should you be in need of an apartment anywhere in the South Puget Sound area in the future, we hope you will think of our apartment communities.

The return of warmer weather means the return of barbecuing season. However, for Fire Departments this means more emergency calls due to BBQ grill deck fires. In order to reduce the risk of such fires, charcoal BBQ grills are not allowed on the residential decks and balconies of Apartment Communities. Although propane gas grills are still allowed, electric grills are the best choice and most preferred for BBQ grilling.
