

# NO FIREWORKS

FOURTH of July is almost here! Please remember that firecrackers and fireworks, of any kind, are not allowed in our apartment community.

In addition to starting fires, fireworks can often cause damage to residents' vehicles and destroy the landscaping. Also, keep in mind should any damages occur by you or your guests, you will be responsible.

We encourage you to visit your city's website to explore your options for entertainment during COVID-19. You will find a link to your city's webpage on the link listed below, as well as in your local newspaper. Participating in these activities is an excellent alternative to an evening ending with an injury and/or property damage due to fireworks.

We appreciate your cooperation and so, will your neighbors.
