CRITERIA for RESIDENCY for APPLICANTS

Thank you for visiting our apartment community and for your interest in our apartment homes. In order to ensure screening policies and procedures are applied to all applicants and their applications fairly and in accordance with fair housing laws, Dobler Management Company Inc. (DMCI) has created a Criteria for Residency for each apartment community managed by DMCI. The apartment communities managed by DMCI accepts all qualified applicants.

This apartment community and DMCI follow fair housing regulations. We make reasonable accommodations. Although requests for reasonable accommodations need not be in writing, written requests are encouraged to afford better assistance with the request. Should an applicant require assistance completing the DMCI Reasonable Accommodation Request form needed to initiate the reasonable accommodation process (or any other forms), the apartment community rental office employee or another person of the applicant's choosing may provide this assistance in accordance with our reasonable accommodation policies. Our reasonable accommodation forms and policies do not require an applicant to disclose the nature of his or her disability. However, sometimes more information is needed from an applicant or resident to ensure the accommodation needs are being addressed.
